GENERAL INFORMATION

1. Skaters may enter only one event per discipline of singles and interpretive. If short and free programs are listed as separate events, skaters may enter one short program and one free program. Pre-Juvenile and Juvenile skaters may also enter a STAR 7 or 9 short program category in addition to the competitive category. Skaters choosing to enter more than one event including supplementary STAR events do so with the understanding that there may be scheduling conflicts that are unable to be resolved.
2. All categories: Should entries in an event be exceedingly large, the event will be divided into smaller groups. Each group will be considered a final.
3. Should there be only one entry in any event, the competitor may skate for an evaluation*, skate up one level, or withdraw and the entry fee will be refunded. If there is a last-minute withdrawal in an event that had only 2 entries, that same options apply for the remaining skater. *Skating for an evaluation is only applicable to competitive categories and STAR/STARSkate Free Skating Categories. If a technical panel is not available, the evaluation will be for Program Components only.
Note that in BC Coast Region competitions, men and women will compete together in all STAR Supplementary Events and Solo Dance events.
4. MARKING: Please see the STAR Technical Package on the Section website for the marking criteria for each of the STAR and Supplementary Event categories. Note that the lower levels are all assessed with ribbons awarded. Competitive categories are all marked in CPC.
